

Virtuoso

Overview

VIRTUOSO is powerful smart plugin for easy creating awesome realistic painting from any photo in one click. This plugin will give you opportunity to be professional digital artist without special Photoshop or drawing skills. Just install it in your Photohop and enjoy fantastic painting multitoool!

Windows or Mac operating systems	Photoshop CC2015.5+ English language	Oil Paint filter available
Any image format, size, resolution or color mode		

NOTE!

1. The plugin requires Oil Paint filter for correct work

If Oil Paint is grayed out for you, try these steps:

- Make sure Photoshop is up-to-date
- Make sure that your document is RGB. Oil Paint won't work on color spaces other than RGB (e.g. CMYK, Lab, etc.)
- If you're on Windows, make sure you're running a 64-bit OS with the 64-bit version of Photoshop. OpenCL requires 64-bit
- Make sure Use Graphics Processor is checked under Preferences > Performance
- Oil paint filter greyed out Use OpenCL Photoshop
- Make sure that your video card driver is up to date with the latest from the vendor website.

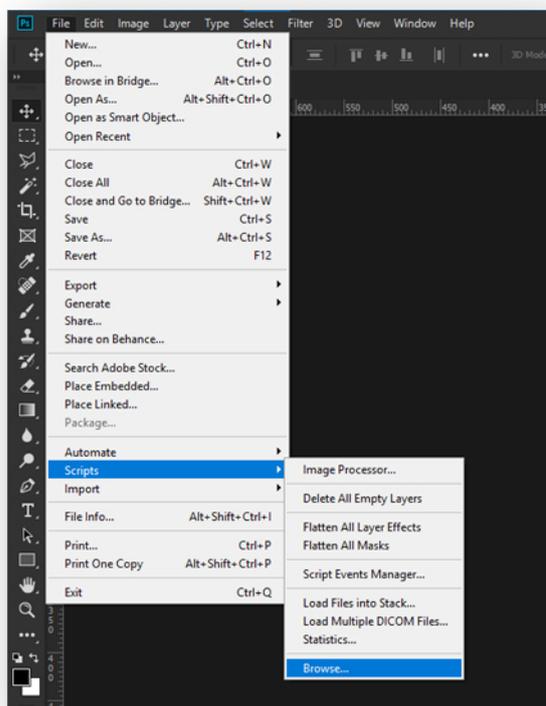

2. Until the next update, the plugin works only in English version of Photoshop

Required versions are CC2015.5, CC2017, CC2018, CC2019, CC2020, CC2021 and higher.

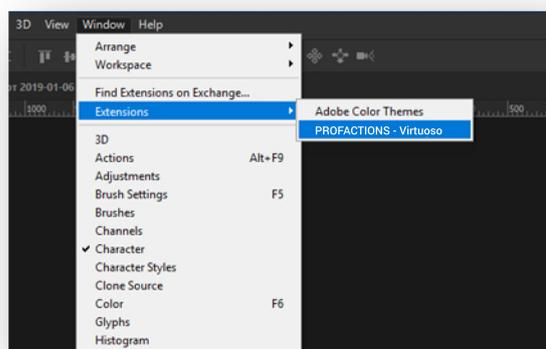

If you are not using the English version, you can switch your Photoshop in English, play the action and return to your language back. How to do it, you can watch in this video: www.youtube.com/watch?v=GJAiu5W2gLE

How to install

1. Download plugin: www.graphicriver.net/downloads
2. Unzip archive and find installer.jsx file
3. Open Photoshop, go to File > Scripts > Browse... and open installer.jsx file

4. Follow the instructions and restart Photoshop
5. Browse to Window > Extensions
