

In this action convert your image to Loving Heart Dispersion Photoshop Action

This action has been tested and works photoshop CS6, CC, CC 2015, CC 2015.5, CC 2017, CC 2018, CC 2019 + version.

INSTRUCTIONS

1. Your Photoshop document must be in RGB colour mode. To check this, go to the menu **Image -> Mode -> RGB Colour** check the right screenshot. Check in Figure 1.
2. Your Photoshop document must be setup in **8bits/Channel**. To check this, to the menu **Image -> Mode -> 8bits/Channel** check the right screenshot. Check in Figure 1.
3. **Press B** to select the Brush tool. On the top toolbar, make sure **Mode** is **Normal**, and both **Opacity** and **Flow** values are set to **100%**. Check in Figure 3
4. On the Layers panel, click on the menu icon on the top-right corner. Go to **Panel Options...**, and make sure that the **Use Default Masks on Fill Layers** and **Add "copy" to Copied Layers and Groups** are checked. Check in Figure 2
5. You are running the **English** version of Photoshop.
6. For best result, it is recommended to use image size between **2000-4000 pixels**. For more optimal result, it is recommended to use image with size of **3000 pixels**.

If you have a lower resolution image, go to "Image" > "Image Size..." and change them to the specified dimensions. After the action has finished rendering, you can always reduce to your original size.
